**Specialty Lightning Effects/Photosensitivity** Lightning and other visual effects are used extensively throughout Disney California Adventure Park. These effects include strobe lights and other effects such as simulated lightning, explosions and chaser lights.

**Magnetic Fields** Common equipment, such as electric motors and radios, that produce electric and magnetic fields are utilized extensively throughout the Resort. These fields are generally no greater than you would experience in any urban environment or may be exposed to through common household appliances such as vacuum cleaners and hair dryers

**Special Effects** Special effects, including theatrical smokes, fog, snow and bubbles are used at select Disney California Adventure Park attractions shows and special events. All Special Effects are produced using products that have been proven to be safe in these applications.

NOTE: NOTE: If you or a member of your party have questions regarding the above, you may speak with a Guest Relations Cast member for details.

**Special Considerations for Attractions**

**SAFETY:** Please abide by all safety warnings and notices.

Supervise children at all times. Children under age 7 years must be accompanied by a person age 14 years or older.

For your safety while on attractions, remain seated with hands, arms, feet and legs inside the vehicle. Supervise children.

All loose articles, such as mobile phones, hats/sunglasses, and water bottles, should be securely stowed while riding

or left with a non-riding member of your party. Items lost while riding attractions may not be immediately retrievable. For your safety, do not attempt to retrieve lost articles in any area. Please see Cast Member for assistance.

**Physical considerations on designated attractions:**

**▲ WARNING!** For safety, you should be in good health and free from high blood pressure, heart, back or neck problems, motion sickness, or other conditions that could be aggravated by this adventure. Expectant mothers should not ride.
